

NIGHT EDITION

MEMORIAL DAY

G. A. R. Parade to be the
Biggest EverBoys' Brigade and Boy Scouts in
Line for the First Time, While
Spanish War Veterans Vary
Their Past Program

The principal feature of tomorrow's observance as far as the Grand Army Veterans are concerned will be the parade in the afternoon at 4 o'clock and it will be the largest ever held in Lowell. In addition to the usual features the Spanish War Veterans this year will turn out a larger number of men than ever before, while the Boys' Brigade and the Boy Scouts will be in line.

For the first time in 20 years Capt. George E. Wooten, superintendent of Post 42, for in the preceding years he has been either chief marshal or chief of staff and no man in Lowell knows more about getting a procession into line properly.

The parade will form at the South Common with the four military companies acting as escort, having the right of line. They will be followed by the High school regiment. Then will come Post 42, Post 120 and Post 185 followed by the Spanish War Veterans, the Sons of Veterans, Company F, Boys' Brigade and the Boy Scouts. Nearly all the different organizations will have music.

The route of parade will be as follows: Thorneike to Middlesex, to Central to Merrimack, to Monument square, where a halt will be taken and brief exercises held at the Ladd and Whitney monument. The line will then reform and proceed through Moody to Tremont, to Merrimack, and back by city hall, where they will be reviewed by Mayor Meslin and the city council and then reviewed and dismissed by the chief marshal at Dutman street. At the conclusion of the

parade each Grand Army post will proceed to its hall and the Spanish War Veterans to Grafton hall, where collations will be served and speeches made.

Spanish War Veterans

General Ames camp, Spanish War Veterans, departs from its usual custom on Memorial day and this year instead of visiting the cemeteries in the morning will assemble at Grafton hall at 1 o'clock in the afternoon and headed by the Lowell Cadet band, John J. Giblin leader, will march through Merrimack to Central, to Grafton to St. Patrick's cemetery, where exercises will also be conducted the officiating clergyman being Rev. George E. Kennett, who takes the place of Rev. J. E. Gregg, whose estimable wife was laid at rest within a few days. Returning from the cemeteries the Spanish War Vets will proceed directly to the South common, where they will enter the big parade, after the day's marching they will have a collation with speeches, song and story. The arrangements are in charge of Arthur E. Salmon, which is a guarantee that they will be faultlessly carried out.

Warren who is seriously ill and under whose supervision the boys have been so well treated.

The boys to the number of 150 will receive communion tomorrow morning at the 1:30 mass. The mass will be celebrated by the Rev. Fr. Schofield, who will be assisted by the Rev. Fr. Doherty in giving communion. These will be special singing by the boys of the school. It is expected that the parents of the boys will be present from many parts of the county to see the children approach the altar.

The appointment of Judge Schofield to the United States circuit court was also referred to by Fr. Schofield as Judge Schofield is a first cousin to Fr. Schofield.

The children of the parish to the number of 140 will receive their first communion next Sunday morning at the 8:30 mass. The children have been under the instruction of the Sisters of Notre Dame and Fr. Doherty.

The Memorial Day sermon on "Real Patriotism" at the Second Congregational church was preached yesterday morning by the Rev. W. C. H. Mos.

Court Wamalanah, M. C. O. F. held a special meeting yesterday which was largely attended. Arrangements were made for the holding of the class initiation which is to take place on Sunday, June 11.

BADLY BURNED

MAINE MAN IS NOT EXPECTED
TO LIVE

ST. GEORGE, Me., May 29.—Benjamin Baker, oldest male resident of the town, received burns which will probably prove fatal, while on his way to lay flowers on the grave of his wife.

He was found on the roadside with every vestige of clothing burned from his body and covered with charred wounds. It is supposed his clothing caught fire from a lighted pipe in his pocket. Physicians were summoned from Townsend Harbor, but it was said that the man's case is hopeless.

Mr. Baker is 55 and has five children, Albert Baker, Llewellyn Elwell and Grace Allen of Spruce Head, Mrs. William Clough of Rockport and Mrs. Louise Hollis of Walboro.

GERMAN ATHLETES

WANT TO MEET HARVARD AND
YALE MEN

CAMBRIDGE, May 29.—A cablegram from Dresden, Germany, has been received by Manager Floyd of the Harvard track team inviting the Harvard and Yale athletes to compete with the German team at a fair to be held in Dresden shortly after the international games at London. The Harvard management will communicate with Yale. The expense of the trip to England will be heavy, and little hope is expressed by the Crimson athletes that the offer can be accepted.

All up for Breezy Point, tonight.

SILVER WEDDING BIG FIELD DAY

MR. AND MRS. ADOLPH HOLSTEIN.

Observed by Mr. and Mrs.
Adolph Holstein Today

A pretty observance is being held today at the home of Mr. and Mrs. Adolph Holstein, 71 Maple street, the occasion being the 25th anniversary of their marriage. A dinner was served at noon to the immediate relatives of the couple and tonight an informal gathering of friends and relatives will take place at the above address.

Mr. and Mrs. Holstein were married 25 years ago today, the ceremony being performed by Rev. Francis George, at Thompsonville, Conn. Of this union, six children were born, four of whom are living and making their home with their parents, namely: Arthur, Flora, Louisa and Wendel Holstein.

Mr. Holstein was born in Saxony, Germany, on October 19, 1865. He emigrated to this country at the age of 3 years, and 22 years ago he and his young wife settled in this city. He immediately secured employment at the Bigelow Carpet Co., as carpet weaver, and has held the same position ever since. Mr. Holstein is a faithful employee, and during his long service for

the B. C. Co., he has made a host of friends, both among his fellow employees, and his superiors, and the latter have shown their esteem for him by presenting him with rich presents on the occasion of his silver wedding.

Mrs. Holstein, formerly Miss Sarah Poole, was born at Thompsonville, Conn., 43 years ago. She is a devoted mother and highly respected by her many friends. Mr. and Mrs. Holstein and their family are devout attendants of the Free church in Middlesex street.

Among the many guests in attendance today from Lawrence, Boston and Framingham, Conn., are Mr. and Mrs. Conrad Sobel of Thompsonville, Conn., the former having served as best man at the marriage ceremony 25 years ago. Mrs. Thomas Poole of Winchester, Kentucky, who acted as bridesmaid, sent a message of congratulation to the couple this morning, expressing at the same time her sorrows for not being able to attend. Another similar message was received from Rev. Francis George, now of Rockville, Conn.

SALE IN BOTTLE

Charged Against Saloon Holding
First Class License

Mr. Eugene A. Shea, who conducts a liquor saloon at 389 Broadway, will appear in police court Wednesday morning to answer to a complaint charging him with the illegal sale of liquor. This is one of the first alleged violations of the so-called bar and bottle bill and the outcome of the matter will be watched with interest by the public.

Mr. Shea was granted a first class license, which prohibits the sale of bottled goods, but it is alleged that on Saturday night a sale of a bottle of whiskey was made at Mr. Shea's saloon in violation of the provisions of his license.

It is alleged that in a number of places where only a first class liquor license is being exercised that bottled goods are being sold, but Supt. Edmund Welch is determined that if such is a fact that he will put a stop to the illegal trade.

IN POLICE COURT

Liquor Seizure in South Lowell---
Assault Cases Heard

As is usual on a Monday morning there was a large attendance in police court this morning. The case was filled with prisoners and scores of people occupied seats reserved for witnesses, while the gallery was packed almost to suffocation. The mercury was high and the general humidity made it almost unbearable to sit in the court room for any length of time. Although those who were present solely for the purpose of looking down upon the poor unfortunates in the dock and probably expecting to hear a little scandal were not bothered by the heat and they remained until the close of court.

Assault in Gorham Street
The greater portion of the session was taken up by the hearing of the case of Thomas Dixon, charged with assault and battery on Samuel Zimberg in Gorham street last Wednesday. The court after considering the testimony that had been offered found the defendant guilty and ordered him to pay a fine of \$10.

Dixon and Zimberg are peddlers of fruit and vegetables and met in Gorham street last Wednesday. According to Zimberg he had ordered a dozen bunches of asparagus from Dixon the day before but when he went to get them on Wednesday Dixon said he could spare but half a dozen bunches. The asparagus was picked up by Dixon and handed to Zimberg, the latter putting them in his wagon. Zimberg then gave Dixon 82 cents, but the latter said: "Come up with another cent." Zimberg said he dug down into his pocket for the other cent and after paying it over Dixon kicked him on the arm and later struck him in the eye.

Dixon testifying in his own behalf said that Zimberg put up an argument with him because he had asked for the extra cent and when Zimberg called him the names, Dixon pushed him with his foot. Zimberg then grew angry whereupon Dixon got down off his wagon and struck Zimberg with his open hand.

The court was inclined to believe the story told by the complainant and accordingly found Dixon guilty and ordered him to pay a fine of \$10.

Fine of \$50 Imposed
Rita Abraham of South Lowell was busily engaged in entertaining a party of friends at his home yesterday when Sergeant Alexander Duncan and Inspector Frank Fox of the liquor squad put in an appearance and spoiled the party by seizing seven cases of beer bottles. Some of the cases contained 12-14 bottles, while others contained empties.

A raid in South Lowell is a novelty and hundreds of persons turned out to witness the arrival of the bluecoat and the removal of the cases of beer together with Abraham who was also given a free ride.

Abraham appeared in court this morning and through his counsel entered a plea of guilty to a complaint charging him with the illegal sale of liquor. A fine of \$50 was imposed and Judge Hadley informed the man that if he was convicted again that a direct sentence would be given.

Assaulted an Officer
Francis M. Kennedy pleaded guilty to complaints charging him with drunkenness and assault on a police officer. Patrolman John J. McCarthy testified to finding Kennedy in a drunken condition on the sidewalk Saturday night and while trying to arouse the man to the latter struck him. While trying to subdue Kennedy the patrolman suffered an injury to his hand. Kennedy was found guilty and he was sentenced to two months in jail.

Other offenders

Edward J. McCashin was sentenced to three months in jail and appealed. Patrick O'Donnell, William H. Hickson, Charles Whitely and Roderick McDonald, drunks, were found guilty and fines of \$5 were imposed in each case.

Daniel O'Leary, a Sunday drunk, was fined \$5. There were three first offenders who were fined \$2 each and 11 drunks were released.

POSTAL SAVINGS BANKS

WASHINGTON, May 29.—Postmaster-General Hitchcock designated today 50 additional postal savings depositories, making the number to be in operation before July 1 more than 300. Mr. Hitchcock still adhered to his policy of designating only second class postoffices in the belief that thereby he is extending the banking facilities of the smaller communities.

Among the offices designated today which will open for the receipt of deposits on June 27 are South Manchester, Conn., Saeco, Me., and Salisbury, Milford and Webster, Mass.

NORTH CHELMSFORD

The Rev. Edmund T. Schofield celebrated the two masses in St. John's church yesterday. At the second mass he announced that the boys of the Middlesex County Training school would receive their first holy communion tomorrow morning at the 7:30 mass. He spoke very encouragingly to the boys and urged them to make a good first communion as their future companions depended upon their first. He knew the boys were fully prepared as they have been under careful instruction for some time by Fr. Doherty. He spoke very highly of Supt.

Boys' Brigade

The boys' brigade held its memorial service at the Unitarian Congregational church yesterday afternoon. The church was decorated with the national colors and large American flags draped the pulpit and choir loft. The speakers of the afternoon were Hon. John J. Pickman and Rev. A. S. Perrin, pastor of the High Street Congregational church.

Kirk Street Church

The service at the Kirk Street church yesterday was largely attended by the veterans of Post 42, Post 120, and the Spanish War veterans, together with a number of the women belonging to the auxiliary organizations.

Rev. James D. Gregg could not con-

duct the service on account of the untimely death of his wife, but at his request the service was not postponed, and Rev. Theodore P. Brudden, D. D. of Newton, occupied the pulpit. There was special music by the choir, including the solo "He Marched Wars in Chains," admirably sung by Edward H. Wirt.

Sons of Veterans

Admiral Farragut camp, Sons of Veterans, has issued the following orders for Memorial day: Brothers are requested to meet on John street at 3 o'clock a. m. to unite with Post 42 and proceed to the cemeteries by electric car, where the usual ceremonies will be performed. Brothers will congregate at the hall at 1 p. m. to proceed to the Hillside cemetery to perform their memorial services and then proceed to the South common to perform escort duty to Post 185 G. A. R. The brothers will hold their annual supper with Ladd & Whitney Post 185. The cost of the supper is 10c. 25 cents and the brothers are requested to contribute to the fund for that purpose, as the camp will pay the expenses. Brother Fred L. Fletcher is detailed as an aid on the staff of Chief Marshal Dickey and will report to him for duty. All former members are invited to participate in the parade with the camp. Brothers are requested to wear dark trousers and cap and blouse, with white gloves. Those not wearing cap and blouse will wear dark clothes and white gloves.

Boy Scouts

All boy scouts who intend to participate in the parade on Tuesday afternoon are asked to meet at the Ellot church on the northern part of the South common, at 3.30 o'clock. All must appear in uniform of at least the regulation coat and hat, with staff.

AFFAIRS OF THE HOME

FOUGHT A DUEL

Men Used Knives in
Dark Room

BOSTON, May 29.—Francisco Paparala and Frank Rich battled for nearly an hour last night, armed with knives, in a small room at 2A Mt. Auburn street, Watertown, in a duel to settle a trivial dispute, which was prevented from being fatal by the timely arrival of the police.

The officers, summoned by neighbors who had tried to get into the locked room in which the two men were fighting, arrived just in time to save Paparala's life. He was severely cut in the neck, his arms were creased with slashes and his body gouged and scraped. Rich was also wounded, but not so severely, having a bad cut in his right arm.

The duel started shortly after 8 o'clock last night. Rich, who runs the boarding-house, was playing an accordion in a room on the lower floor, in company with Michael Russo, a visitor. Paparala, who boards upstairs, came down, kicking at the music. A dispute arose. It became heated, and ended by both men drawing knives and starting to fight it out.

Russo, locking the door, acted as second for both men. Back and forth the men fought, Rich, by greater dexterity, inflicting a wound of almost every stroke.

The sound of the combat in the room aroused the neighborhood. They swarmed into the house and tried to get into the locked room. In the excitement the lamp in the room was extinguished, and for some time the duel went on in the dark.

Finally the police arrived. At the first warning of their arrival, Russo slipped out a window and escaped. The other two were still fighting when the police broke in the door and drove them apart with their night sticks.

Both men were taken to the Watertown police station, their wounds were dressed and they were locked up charged with mutual assault with intent to kill.

MARRIED IN HASTE

St. John's church, in Hoxton, known through London as Hoxton church is famous for the many weddings solemnized within its walls. A goodly proportion of the couples are of the coster class. They don't waste time with single weddings in Hoxton church, but marry the happy pairs in batches, of a dozen at a time. No one states whether they want to be divorced at the same rate. Be that as it may, the custom is worthy of this rapid country of ours and rather surprising of old England.

A CHEAP BUNGALOW

HOW ONE WOMAN MADE IT
ARTISTIC

This is the tale of how one woman hired a summer bungalow for a very small sum and improved it by her own taste so that it was the envy of all her neighbors.

In the first place, the cottage was of gray weather stained shingles and so poorly finished that the beams and bails, unstained and full of knot holes, composed the walls of all the rooms. This of course gave a very gloomy, shoddy effect quite beyond the power of pictures to modify.

Succeeding pictures, the new owner of the bungalow found a variety of these nailed to the walls and dy spotted. She wisely determined that as she could not have good pictures she would have none at all.

For the living room she bought red burlap at 15 cents a yard, which she tacked panelwise between the beams. The latter, together with the ceiling, she stained a very pale oak tint by putting only one light coat of varnish mixed with stain. It was quite sufficient to take away the bare pine wood effect. Curtains of red green and tan checked, soiled effectively took the place of the more expensive material. She made a portiere of denim, but hung it over the old portiere, because otherwise the weave of the denim allowed the light to shine through.

The dining room walls she covered, beams and all, with blue burlap, and she left the woodwork the original pine. Curtains of green fish net, made of fine white print spread did duty as a tablecloth.

Chippy blue and white cups and plates (bought at the ten cent store) were a great addition at mealtime. The bedrooms were poorly furnished.

Going to the local hardware merchant, she purchased three packing boxes from him, sawed a third off the front so they would not be too deep and fixed three shelves in each. She covered them in different tones of cretonne to match the different rooms and shirred curtains on narrow rods across their openings.

Having cut her lawn very close, she had bone dust and grass seed applied to it and then bordered it with a narrow flower bed composed mainly of crimson flowers to match the crimson lambock on her piazza.

FRENCH VEGETABLE SOUP

Chop up the white part of two leeks and half a pound of celery that has been washed and peeled and cut into thin slices. Fry these lightly in butter without letting them color, then pour over them a quart of boiling milk, season with salt and cook the vegetables gently till they are soft enough to pass through a fine sieve. Return the puree to the steppan and pour three ounces of vermicelli in it (it is quite tender, just before serving stir in four ounces of butter that has been cut into small lumps and send the soup to table very hot.

SAVORY MUTTON ROLLS

Two slices of cold mutton, capers, lemon peel, pepper, salt and gravy. Cut some slices of cold mutton, trim off all fat and season thickly with pepper and salt. Then wrap capers and a lemon and lay a little on the mutton, roll up and put on a platter. Place in the oven with enough good gravy to cover and cook for twenty minutes. Slip off the skewer on to a dish, thicken and color the gravy and pour over, dust with chopped parsley and serve.

ELABORATE HAIR DRESSING

The craze for ribbon hair ornaments is even greater than ever this year, and this summer a variety of pretty

arrangements of silk and satin will be worn with thin afternoon dresses, and even sheer waists. Elaborate modes of hairdressing will be seen in the daytime as well as the evening.

FATALLY SHOT

CHICAGO, May 29.—Because he refused to pay 25 cents for a bowl of sugar which he had spoiled by pouring a cup of tea into it, Carl Johnson, 19 years old, was shot and fatally wounded yesterday by Charles May, owner of a chop suey restaurant. May was arrested. Johnson and two companions ordered chop suey and tea and when the orders were served instead of putting the sugar in his tea Johnson emptied the contents of the cup into the sugar bowl. This breach of manners angered the he of the Chinese proprietor who demanded that Johnson pay 25 cents extra for the sugar he had destroyed. An argument followed, and when Johnson raised his fist to strike, the Chinaman pulled a revolver and shot him through the temple.

LOVE LETTERS

PLACED BY WOMEN IN SAFE DEPOSIT BOXES

"No, we do not like women customers," is an opinion the New York Sun says is held by the manager of a large safe deposit company downtown in Wall street. "And over half of our boxes are subscribed for by women. In the first place they come too often and stay too long and take up too much room while they are here. They distrust us and think we have the keys to their boxes. Of course, we haven't. But the mere necessity of two keys, one for us and one for the boxholder, and the necessity of using both keys at once in order to unlock the vault

creates an impression that we are prying into women's affairs. Then they are afraid that somebody will interrupt them in the booths where lockers for clipping coupons are kept. Those lockers must be chained down after this. Too many are carried off each day. Then the women are always afraid the doors of the great vault are going to close and lock them in. But the worst of it all is that those same women don't keep anything valuable in their boxes." The manager whispered: "Love letters! That's all, in nine cases out of ten. Ridiculous, isn't it?" According to an official of the Mid-dlesex Safe Deposit & Trust company of this city, these statements are all wrong. He says, "The bank man who uttered such opinions, is the wrong man in the safe place. With us, while women make up a large portion of our box owners, they are very welcome as

AN ALLEGED PLOT

To Start Another Revolution in
Mexico is Reported

EL PASO, Texas, May 29.—Revelations of an alleged plot to start another revolution in Mexico after overthrowing the leadership of Francisco Madero, Jr., and preventing his journey to Mexico City created intense excitement throughout the insurrecto army today.

That Madero has been advised of certain facts not generally known is believed by some to explain the delay in his departure to the capital to consult with President De la Barra concerning the pressing problems connected with the reorganization of the government although Madero himself declared he postponed his trip merely to await the installation of the provisional government.

The plot, which resulted last night in the arrest of Daniel De Villiers at Mexico City at El Paso, and of W. F. Dunn, an American, at Monterey, Mexico, is said to include three insurrecto

chiefs operating in the state of Coahuila. A telegram from Monterey today states that Dunn has been placed incommunicado for 72 hours. De Villiers is held in the El Paso jail on charges of "conspiracy to murder Francisco Madero, Jr."

According to General Benjamin Viljoen, the Boer veteran, who is Madero's chief military adviser, the scheme was that Viljoen and General Crozo were to desert Madero and start a new revolutionary movement. This was to be joined by certain insurrecto leaders now in the field, together with a federal general known to be friendly to the "cientifico" party. It was represented to him, Viljoen asserts, that great quantities of arms and ammunition were stored in the mines of Coahuila in anticipation of the new outbreak and that success was assured as "Madero would never reach Mexico City."

Man Refused to Comply With
Demands For Money

SAN FRANCISCO, May 29.—Refusing to comply with demands for money by a band of bandits at Ajuno, Michigan, Robert Sweeney, an American superintendent of the Central railroad at Mochnan, was burned at the stake or May 16, according to the story of Joseph Hanstfelder, one of the refugees who arrived yesterday on the steamer Newport from Manilla. Hanstfelder said that the bandits had made demands for money on every American in the district. Some complied but Sweeney refused to pay.

Hanstfelder declares that he made his way to Sweeney's house, three miles from his own home, and found the house burned to the ground and Sweeney's body lashed to a post in the midst of the burning timbers. Mrs. Sweeney had disappeared and is believed to have been taken possession of by bandits and held for ransom. Fearing his own house would be attacked Hanstfelder made his way to Manilla and took passage for the United States. Sweeney is believed by Hanstfelder to have been a former resident of San Diego.

SILVER WEDDING BIG FIELD DAY

MR. AND MRS. ADOLPH HOLSTEIN.

Observed by Mr. and Mrs.
Adolph Holstein Today

A pretty observance is being held today at the home of Mr. and Mrs. Adolph Holstein, 71 Maple street, the occasion being the 25th anniversary of their marriage. A dinner was served at noon to the immediate relatives of the couple and tonight an informal gathering of friends and relatives will take place at the above address.

Mr. and Mrs. Holstein were married 25 years ago today, the ceremony being performed by Rev. Francis George, at Thompsonville, Conn. Of this union six children were born, four of whom are living and making their home with their parents, namely: Arthur, Flora, Louise and Wendel Holstein.

Mr. Holstein was born in Saxony, Germany, on October 19, 1885. He emigrated to this country at the age of 8 years, and 22 years ago he and his young wife settled in this city. He immediately secured employment at the Bigelow Carpet Co. as carpet weaver, and has held the same position ever since. Mr. Holstein is a faithful employee, and during his long service for

the B. C. Co., he has made a host of friends, both among his fellow employees, and his superiors, and the latter have shown their esteem for him by presenting him with rich presents on the occasion of his silver wedding.

Mrs. Holstein, formerly Miss Sarah Pool, was born at Thompsonville, Conn., 43 years ago. She is a devoted mother and highly respected by her many friends. Mr. and Mrs. Holstein and their family are devout attendants of the Free church in Middlesex street.

Among the many guests in attendance today from Lawrence, Boston and Bradbrook, Conn. are Mr. and Mrs. Conrad Schol of Thompsonville, Conn., the former having served as best man at the marriage ceremony 25 years ago. Mrs. Thomas Pool of Winchester, Kentucky, who acted as bridesmaid, sent a message of congratulation to the couple this morning, expressing at the same time her sorrows for not being able to attend. Another similar message was received from Rev. Francis George, now of Rockville, Conn.

STRONG ENCYCLICAL

Issued by Pope Pius Relative to
Situation in Portugal

ROME, May 29.—An encyclical addressed by Pope Pius to the Roman Catholic bishops throughout the world, strongly deploring the anti-religious attitude of the government of the Portuguese republic, was officially published at the Vatican today.

The encyclical deals with the violent expulsion of religious orders from Portugal, the suppression of church holidays, religious oaths and religious teachings, the introduction of divorce laws, the arbitrary deposition of the bishops of Oporto and Braga and finally with the law separating church and state.

The Holy See, the encyclical says, has been patient up to now, but cannot longer keep silent as the law of separation denies to Catholic citizens even

common liberties. Such a law is a spoliation of material goods and a tyrannical oppression in spiritual affairs. Man is deprived forever of a fixed church in which to maintain worship, the law even violates the will of testators.

Enclosed in the encyclical declares, are excluded by the law from organizations of cult. It prohibits the publication of ecclesiastical works. It forbids religious emblems. It encourages rebellion and the corruption of the clergy, punishing those who have been punished by bishops. The law aims to detach the Portuguese church from Rome, the encyclical says in conclusion, and thus force the pope declares it null, it carries no value against the inviolable rights of the church.

MEMORIAL DAY

G. A. R. Parade to be the
Biggest Ever

The principal feature of tomorrow's observance as far as the Grand Army Veterans are concerned will be the parade in the afternoon at 4 o'clock and it will be the largest ever held, for in addition to the usual features the Spanish War Veterans this year will turn out a larger number of men than ever before, while the Boys' Brigade and the Boy Scouts will be in line.

For the first time in 20 years Capt. George E. Worthen, superintendent of state aid, will walk with the "boys" of Post 42, for in the preceding years he has been either chief marshal or chief of staff and no man in Lowell knows more about getting a procession into line properly.

The parade will form at the South Common with the four military companies acting as escort, having the right of line. They will be followed by the High school regiment. Then will come Post 42, Post 120 and Post 153 followed by the Spanish War Veterans, the Sons of Veterans, Company F, Boys' Brigade and the Boy Scouts. Nearly all the different organizations will have music.

The route of parade will be as follows: Thorneike to Middlesex, to Central, to Merrimack, to Monument square, where a halt will be taken and brief exercises held at the Ludd and Whitney monument. The line will then reform and proceed through Moody to Tremont, to Merrimack, and back by city hall, where they will be reviewed by Mayor Meehan and the city council and then reviewed and dismissed by the chief marshal at Dutton street. At the conclusion of the

parade each Grand Army post will proceed to its hall and the Spanish War veterans to Grafton hall, where collations will be served and speeches made.

Spanish War Veterans

General Ames camp, Spanish War Veterans, departs from his usual custom on Memorial day and this year instead of visiting the cemeteries in the morning will assemble at Grafton hall at 1 o'clock in the afternoon and headed by the Lowell Cadet band, John J. Giffin leader, will march through Merrimack to Central, to Grafton, to St. Patrick's cemetery, where exercises for the deceased members buried there will be conducted over the grave of the late William E. Golden. There will be singing by a quartet consisting of Messrs. Munn, Wirt, Needham, and Howard and Rev. Joseph E. Curtin of St. Patrick's church will conduct the religious service. From the Catholic cemetery they will proceed to the Edison cemetery, where over the grave of the late Eugene E. Young memorial exercises will also be conducted the officiating clergyman being Rev. George F. Kennigott, who takes the place of Rev. J. E. Gregg, whose estimable wife was laid at rest within a few days. Returning from the cemeteries the Spanish War Veterans will proceed directly to the South common, where they will enter the big parade. After the day's marching they will have a collation with speeches, song and story. The arrangements are in charge of Arthur F. Salmon, which is a guarantee that they will be faultlessly carried out.

MAYOR FITZGERALD TWO LIVES LOST

Addressed Meeting Held Under Big Amusement Place in 'Frisco Auspices of Div. 28, A. O. H. Destroyed by Fire

Mayor Fitzgerald of Boston was the speaker at a gathering held in Associate hall last night under the auspices of Division 28, A. O. H. Despite the warm weather there was quite a large audience present and the program was greatly enjoyed. The meeting was called to order by Mr. Humphrey O'Sullivan and he congratulated the members of Division 28 on the success achieved by the organization and the enterprise shown in arranging public meetings and securing prominent speakers.

He referred to a petition sent to Senator Lodge, signed by clergymen of Massachusetts, urging the senator to use his good offices in behalf of peace measures between this country and Great Britain. Mr. O'Sullivan said he was glad to note that the state officers of the A. O. H. have sent a protest to Senator Lodge, asking him not to use his good offices for the maintenance of any treaty between the United States and Great Britain, until Ireland is free. Any such measure, he said, will miscarry, until the rights of Ireland are acknowledged and established. Until this takes place, the Irish Americans will oppose any alliance between the two countries, he said.

Mr. O'Sullivan's remarks were loudly applauded.

He then introduced as presiding officer of the evening, Mayor McLean. The mayor spoke briefly and praised the work of the A. O. H. and also said that Memorial Sunday should be a day of interest to every American citizen. The mayor then introduced Mr. Martin J. Carney of Waltham, who spoke of the great works of charity, benevolence and brotherly love carried on by the order, which this year will celebrate its golden jubilee. This great organization, and the Irish Historical association, in America, are now, he said, in a position to tell to the world the great achievements and the great heroism of the Irish race within the confines of this republic. As Americans, he said, we are proud of our country, and as Irishmen, we are proud of the great work which has been done in the early formation of the government.

The histories, said the speaker, especially the school histories, have given little space to the relation of what Irishmen have done for America; but today this great organization, through persistent efforts, has brought forward a history of the Irish race in America, that has never been excelled by any race.

When Mayor Fitzgerald was introduced he was given a great ovation. He said in part:

"Bigotry is disappearing, not alone in this country but in Ireland. All reports show improved conditions in Ireland and the general belief is that Irishmen will secure the government by the natives of that country which she has sought for many, many years. The business of New England is such that it demands, today, the introduction of Irish blood that it may get the benefit of the brains and strength

of Irish men and women. In times of national peril it has been shown that the sons of Irishmen can be depended upon to fight for the preservation of this country.

"I attended a reunion of the First Massachusetts regiment a few days ago and learned that of the 800 men who volunteered 59 years ago for service in that regiment, 185 were born in Ireland. The 4th regiment, which will celebrate its 50th anniversary in about a fortnight, had 1600 men in its ranks, a greater portion of whom were Irishmen or sons of Irishmen.

"An examination of rolls of Massachusetts regiments in the Civil war will show that in many other regiments there were hundreds of the sons of Irishmen who enlisted. Previous to the Civil war companies of sons of Irishmen in Massachusetts were disbanded by order of the know-nothing governor.

"With that record staring them in the face it was feared that the sons of Irishmen would not respond at the opening of the Civil war. The readiness with which they volunteered dispelled that fear and gave encouragement to the leaders who helped to stop the rebellion.

"The fact that bigotry is disappearing is shown by the election of John E. Gilman, the son of an Irishman, as commander-in-chief of the G. A. R. of the United States.

"While it is a fact that bigotry is disappearing, there is still room for improvement in offices of manufacturing companies and in many of the banks of this state. Six of the great banks of Boston, which have had the deposits of Irishmen and their sons numbered in the millions, have never given employment as officials or clerks to the sons of Irishmen.

"We found within a few years a strong feeling when Mr. Manning, Mr. Campbell, Mr. Dolan and Mr. Fitzgerald were suggested as clerks of the superior and probate court. Yet after their election it was found that they performed their duties so well that no opposition was made to their reelection.

"There are many changes taking place in New England. I believe there will be great changes for the sons and daughters of Irishmen in the future, and I would urge upon the young people to fit themselves well for the positions which I know will be open to them."

The audience wanted to hear Mayor Fitzgerald sing "Sweet Adeline" and the opportunity came when Miss Frances Tighe after rendering a vocal selection was encored, and then sang "Sweet Adeline," with Mayor Fitzgerald joining her.

The other numbers on the program were: Piano solo, by Miss Veronica Rediker, and Irish ballads by Mr. William B. Ready, Miss Tighe, Mr. E. F. Shea, Miss May Corcoran and Mr. J. E. Dunne. Miss Rediker accompanied Mr. Thomas Mack, a favorite local singer, who gave great pleasure by his two selections.

SAN FRANCISCO, May 29.—Two men are believed to have perished in a fire that destroyed the Chutes, San Francisco's largest amusement resort, early today. Occupants of an adjoining house which caught fire rushed from their beds to find that escape was cut off. Before the firemen arrived Della Alvino, a 12 year old girl, and John Feist jumped from a second story window. Both were dangerously injured. William Williams, an employee of the resort, was unable to prevent Miss Alvino from jumping and attempted to catch her as she fell, sustaining a broken arm. Miss Ida McFarlan, who was sleeping in a room with two other women in a lodging house, awoke to find her companions hysterical and unable to move. She dragged them to a window ledge and held them until the firemen arrived with ladders. John Beutinger and a man who is not known, who were sleeping in the lodging house, are believed to have perished. The theatre of the Chutes, which was built of concrete, is the only building within the resort saved. The loss is estimated at \$250,000.

BOSTON LAWYER

Has to Face Four Indictments

BOSTON, May 29.—Louis F. Gates, a Boston lawyer, with a residence at Sharon, was brought to Boston yesterday from Calgary, in the Canadian northwest, by Inspectors Waite and Denny.

Gates is charged in four indictments with forgery and larceny from Mrs. Clara B. Woods of Massachusetts avenue, Cambridge. He is said to have acted as her legal adviser.

The two inspectors went away from Boston five weeks ago wearing their winter clothing. In Calgary they found six inches of snow on the ground. Long before they reached the South station at 2:30 yesterday afternoon, coming by the way of St. Paul and

Chicago, they found a much different climate. There are four indictments against Gates, the first alleging the larceny of \$900 from Mrs. Woods on October 25, 1905. The next indictment alleges the larceny of \$2261.26 on Dec. 26, 1905. This was the property of the estate of Leonard Morrill, of which Mrs. Woods is made executrix.

The forgery charge is dated Oct. 26, 1909, when it is alleged Gates forged on a check for \$2600 which was deposited in the Liberty trust company to his own credit.

The fourth indictment charges that on April 22, 1910, Gates was guilty of larceny to the amount of \$1920, the money being the property of Mrs. Woods. It is said that the money which it is alleged Gates took was given him by the woman for investment as he suggested.

HONORED HEROES

Memorial Service at the Elliot Church

The regular morning service at the Elliot church yesterday was devoted to a memorial service in honor of those who have offered their lives in the service of the country.

The church quartet sang special music, and the regular service of the day was carried out. The boys scouts paid their tribute of respect by occupying the front pews of the church, in charge of Sergeant T. C. Thompson of the U. S. Marine corps.

Boys' Brigade

The boys' brigade held its memorial service at the Trinitarian Congregational church yesterday afternoon. The church was decorated with the national colors and large American flags draped the pulpit and choir loft. The speakers of the afternoon were Hon. John J. Pickman and Rev. A. S. Ferrin, pastor of the High Street Congregational church.

Kirk Street Church

The service at the Kirk Street church yesterday was largely attended by the veterans of Post 42, Post 120, and the Spanish War veterans, together with a number of the women belonging to the auxiliary organizations.

Rev. James E. Gregg could not con-

duct the service on account of the untimely death of his wife, but at his request the service was not postponed, and Rev. Theodore P. Brudden, D. D., of Newton, occupied the pulpit. There was special music by the choir, including the solo "His Maketh Wars to Cease," admirably sung by Edward R. Wirt.

Sons of Veterans

Admiral Farragut camp, Sons of Veterans, has issued the following orders for Memorial day: Brothers are requested to meet on John street at 8 o'clock a. m., to unite with Post 42 and proceed to the cemetery by electric car, where the usual ceremonies will be performed. Brothers will congregate at the hall at 1 p. m., to proceed to the Hildreth cemetery to perform their memorial services and then proceed to the South common to perform escort duty to Post 185 G. A. R. The brothers will hold their annual supper with Ladd & Whitney Post 185.

The cost of the supper is to be 50 cents and the brothers are requested to contribute to the fund for that purpose, as the camp will pay the expenses. Brother Fred L. Fletcher is detailed as an aid on the staff of Chief Marshal Dickey and will report to him for duty. All former members are invited to participate in the parade with the camp. Brothers are requested to wear dark trousers and cap and blouse, with white gloves. Those not wearing cap and blouse will wear dark clothes and white gloves.

Boy Scouts

All boy scouts who intend to participate in the parade on Tuesday afternoon are asked to meet at the Elliot church on the north wing of the South common at 7:30 o'clock. All must appear in uniform of at least the regulation coat and hat, with staff.

NORTH CHELMSFORD

The Rev. Edmund T. Schofield celebrated the two masses in St. John's church yesterday. At the second mass he announced that the boys of the Middlesex County Training school would receive their first holy communion tomorrow morning at the 7:30 mass. He spoke very encouragingly to the boys and urged them to make a good first communion as their future communions depended upon their first. He knew the boys were fully prepared as they have been under careful instruction for some time by Fr. Doherty. He spoke very highly of St. John's church and its pastor, Fr. Doherty, who is seriously ill and under whose supervision the boys have been so well treated.

The boys to the number of 150 will receive communion tomorrow morning at the 7:30 mass. The mass will be celebrated by the Rev. Fr. Schofield, who will be assisted by the Rev. Fr. Doherty in giving communion. There will be special singing by the boys of the school. It is expected that the parents of the boys will be present from many parts of the county to see the children approach the altar. The appointment of Judge Schofield to the United States circuit court was also referred to by Fr. Schofield as Judge Schofield is a first cousin to Fr. Schofield.

The children of the parish to the number of 140 will receive their first communion next Sunday morning at the 9:30 mass. The children have been under the instruction of the Sisters of Notre Dame, and Fr. Doherty.

The Memorial Day sermon on "Real Patriotism" at the Second Congregational church was preached yesterday morning by the Rev. W. C. H. Moe.

Court Warranted, M. C. O. F. held a special meeting yesterday which was largely attended. Arrangements were made for the holding of the class initiation which is to take place on Sunday, June 11.

A NEW CONVENT

About to be Built in Moody Street

The Oblate Fathers of St. Jean Baptiste church are contemplating important improvements at the convent and school of St. Joseph conducted by the Gray Nuns in Moody street, and one of the largest parochial schools for girls in the city.

Some time ago the Fathers purchased the lot of land at the corner of Moody and Spalding streets opposite the school and tore down a small building there. They have also torn down some of the buildings at the corner of Moody and James Sts., across from Spalding, where they are to make the improvements. This morning Contractor J. B. Morin took out a permit on behalf of the Oblate Fathers for the erection of a new convent at the corner of Moody and James streets adjoining the building used by the sisters as a domicile at the present time. The new convent is to be 44x91, three stories in

height, of wood with brick veneer and granite sills and trimmings. The first or basement floor is to contain seven rooms and bath, the second floor, seven rooms, chapel and bath, and the third floor five rooms, dormitories and bath. The building will cost \$13,000. When the new convent has been completed the present convent building will be moved across the street so that the land in front of the school will be utilized as a playground and the school will be seen from the street. The convent now stands in front of the school. Contractor Morin has started the work on the groto at the French-American orphanage and has raised it half the estimated height.

Mrs. Mary White of 43 Kirk street has taken out a permit to build an addition to her building at that number. She will add a third story to the present building at a cost of \$1000.

IN POLICE COURT

Liquor Seizure in South Lowell---

Assault Cases Heard

As is usual on a Monday morning there was a large attendance in police court this morning. The cage was filled with prisoners and scores of people occupied seats reserved for witnesses, while the gallery was packed almost to suffocation. The mercury was high and the general humidity made it almost unbearable to sit in the court room for any length of time, although those who were present solely for the purpose of looking down upon the poor unfortunates in the dock and merely expecting to hear a little scandal were not bothered by the heat and they remained until the close of court.

Assault in Gorham Street The greatest portion of the session was taken up by the hearing of the case of Thomas Dixon, charged with assault and battery on Samuel Zimberg in Gorham street last Wednesday. The court after considering the testimony that had been offered found the defendant guilty and ordered him to pay a fine of \$10.

Dixon and Zimberg are peddlers of fruit and vegetables and met in Gorham street last Wednesday. According to Zimberg he had ordered a dozen bunches of asparagus from Dixon the day before but when he went to get them on Wednesday Dixon said he could spare but half a dozen bunches. The asparagus was picked out by Dixon and handed to Zimberg, the latter putting them in his wagon. Zimberg then gave Dixon 62 cents, but the latter said: "Come up with another cent." Zimberg said he dug down into his pocket for the other cent and after paying it over Dixon kicked him on the arm and later struck him in the eye. Dixon testifying in his own behalf said that Zimberg put up an argument with him because he had asked for the extra cent and when Zimberg called him vile names, Dixon pushed him with his foot. Zimberg then grew angry whereupon Dixon got down out of his wagon and struck Zimberg with his open hand.

The court was inclined to believe the story told by the complainant and accordingly found Dixon guilty and ordered him to pay a fine of \$10. Fine of \$50 imposed. Dixon Abraham of South Lowell was busy engaged in entertaining a party of friends at his home yesterday when Sergeant Alexander Duncan and Inspector Frank Fox of the liquor squad put in an appearance and spoiled the party by seizing seven cases of beer bottles. Some of the cases contained filled bottles, while others contained empties.

A raid in South Lowell is a novelty and hundreds of persons turned out to witness the arrival of the limousine

The Lithuanian Roman Catholic church at the corner of Rogers and Concord streets will be formally dedicated tomorrow morning at 10:30 o'clock by Rt. Rev. Joseph J. Anderson, D. D., of Boston. Bishop Anderson will be assisted by the pastor, Rev. Casimir Urbanowicz. After the blessing there will be a parade of the Lithuanian societies of Lowell, Boston, Lawrence, Haverhill, Nashua and Manchester and more than 2000 Lithuanians will be in line. The parade will start at noon.

GERMAN ATHLETES

WANT TO MEET HARVARD AND YALE MEN

CAMBRIDGE, May 28.—A cablegram from Dresden, Germany, has been received by Manager Floyd of the Harvard track team inviting the Harvard and Yale athletes to compete with the German team at a fair to be held in Dresden shortly after the international games at London. The Harvard management will communicate with Yale. The expense of a trip to England will be heavy, and little hope is expressed by the German athletes that the offer can be accepted.

All up for Breezy Point, tonight.

FIREBUG AT WORK

Boston's North End Residents in Fear

BOSTON, May 28.—Residents of the North End put in another period of terror last night, due to the attempt of a firebug who has caused a series of terror last night, due to the attempt of section to burn up a tenement house at 16 1/2 Cross street and endanger the lives of scores of men, women and children.

Despite the fact that for the past six weeks a police cordon of regular officers and plain clothes men has been thrown about the affected section, the firebug last night lived up to his reputation for ferocious activity and set a fire that caused several hundred dollars damage and caused injuries to two firemen which necessitated treatment at the Relief hospital.

Like all the other fires which have thrown the residents in that section of the city into a panic, the fire last night was set in the same way and almost in the same part of the building.

Last night's blaze started in a pile of paper believed to have been placed in the hall under the stairway. It worked up to the roof and threatened with suffocation and death a score of tenants.

The building is owned by William and Edwin Shate of 153 Milk street, and with the exception of the liquor store of A. Bergman on the street floor, is occupied almost entirely by Polish families.

The police consider the attempt an exceedingly bold one. The building is within a few doors of Haymarket square, on a well lighted street, and the fire was discovered comparatively early in the evening.

Although the building is equipped with fire escapes, firemen claim that it is a trap, as the escapes permit egress only to a court almost entirely surrounded by buildings, and so littered with handkerchiefs and rubbish as to make it extremely difficult for fire fighting apparatus to be placed where they would be the most effective.

Breezy Point floor the best ever.

BADLY BURNED

MAINE MAN IS NOT EXPECTED TO LIVE

ST. GEORGE, Me., May 28.—Benjamin Baker, oldest male inmate of the prison, received burns which will probably prove fatal, while on his way to lay flowers on the grave of his wife.

He was found on the roadside with every vestige of clothing burned from his body and covered with charred wounds. It is supposed his clothing caught fire from a lighted pipe in his pocket. Thieves, however, summoned from Bangor Harbor, but it was said that the man's case is hopeless.

Mr. Baker is 85 and has five children, Albert Baker, Llewellyn Elwell and Grace Allen of Spruce Head, Mrs. William Clough of Rockport and Mrs. Louise Hollis of Waldoboro.

LOVE LETTERS

PLACED BY WOMEN IN SAFE DEPOSIT BOXES

"No, we do not like women customers," is an opinion the New York Sun says is held by the manager of a large safe deposit company downtown in Wall street. "And over half of our boxes are subscribed for by women. In the first place they come too often and stay too long and take up too much room while they are here. They distrust us and think we have the keys to their boxes. Of course, we haven't. But the mere necessity of two keys, one for us and one for the boxholder, and the necessity of using both keys at once in order to unlock the vault creates an impression that we are prying into women's affairs. Then they are afraid that somebody will interrupt them in the booths where selectors for clipping coupons are kept. Those selectors must be chained down after this. Too many are carried off each day. Then the women are always afraid the doors of the great vault are going to close and lock them in. But the worst of it all is that these same women don't keep anything valuable in their boxes." The manager whispered: "Love letters! That's all, in nine cases out of ten. Ridiculous, isn't it?"

According to an official of the Middlesex Safe Deposit & Trust company of this city, these statements are all wrong. He says: "The bank man who uttered such opinions, is the wrong man in the safe place. With us, women make up a large portion of our box owners, they are very welcome as

Moreover, it is always a pleasure to us to aid them when opportunity offers. We never had reason to call down the scissors. The more women box customers we can have, the better we like.
